The TMC Charitable Foundation Gratitude Report is a collection of appreciative expressions to our donors, partners and volunteers. Truman Medical Centers simply could not fulfill its important, hope-filled mission without your compassionate and generous giving.

Your support makes possible the vital care and wellness programs that make for a vibrant community. This is the enduring benefit of your stewardship: in caring for this generation, the promises of a healthier and stronger generation will be fulfilled. Thank you.

Enduring Benefits:

*Caring Today for Healthy Tomorrows*

Generous donors like you are integral to TMC’s mission and the health and wellness of our community. Individual, corporate and foundation gifts are the genesis of innovation in healthcare, technology, and services for our patients.

As you turn the pages of our Gratitude Report, please look for this symbol, a sign of the countless enduring benefits perpetuated by your kindness and generosity.
Dear Friends,

One of the privileges of my position as Chair of the TMC Charitable Foundation Board is to reflect on the many ways our charitable giving has led to improved health for people in our community. It is rewarding and deeply humbling to know our giving helps bring health and hope to others.

This year, your giving inspired a successful Better Health for a Better Life campaign. Jim Dawson, who retired in June as Executive Director of the Charitable Foundation, provided exemplary leadership in this endeavor. Together, we raised more than $10.5 million for much needed improvements and acquisitions you’ll read about in this Gratitude Report.

This achievement, in addition to our donors’ generous gifts to other patient-centered programs, show how your giving helps to transform the health and wellness of our community. Your contributions sustain Truman Medical Centers’ unique culture of caring — one that honors the dignity of all people and provides the best quality of care, regardless of one’s ability to pay.

In late June, we welcomed Karlyn Wilkins as the Charitable Foundation’s new Executive Director. Karlyn’s leadership and commitment to our mission will serve us well in our quest to provide the very best care to our patients.

On behalf of everyone at TMC, I extend my sincerest thanks to you for sharing in our mission.

Sincerely,

Douglas Y. Curran
2013-2014 Board Chair
TMC Charitable Foundation

---

Dear Friends,

The TMC Charitable Foundation has many reasons to celebrate 2013. Most important is our compassionate supporters who help TMC patients have the very best medical care.

We are grateful for a successful capital campaign and the much-needed services that have come from this generosity. In this New Year, we hope you will continue to walk beside us.

Your support truly makes a difference in the lives of our patients, especially those who otherwise may not have healthcare options. We take this responsibility seriously, and with your help, TMC will continue providing the caliber of care that we want for ourselves and our loved ones.

After all, it is through our caring for this generation that the promises of a healthier and stronger generation will be fulfilled. These are the enduring benefits that come from your support of Truman Medical Centers – caring today for healthy tomorrows.

Thanks for all you do on behalf of our patients and community.

Warm regards,

Karlyn Wilkins
Executive Director
TMC Charitable Foundation
Giving Highlights

The impressive numbers below highlight some of the TMC’s greatest successes of the past year, but these numbers only tell part of our story. To learn more about how TMC is Caring Today for Healthy Tomorrows, we welcome you to peruse the pages of this Gratitude Report, visit TMCGiving.org, or even better: join us for a personal visit and tour of one of our campuses.

$7,500,000+
Generous contributions and revenue received by the TMC Charitable Foundation (TMCCF) between July 1, 2012 and June 30, 2013 total more than $7.5 million.

Vital
The United Way of Greater Kansas City awarded $171,000 to TMC’s outpatient clinics. This vital funding ensures quality care to uninsured or underinsured patients, and is the third award in this three-year grant.

$5,000,000
Contributions distributed to Truman Medical Centers in FY2013 by the TMC Charitable Foundation to support our mission.

1,000+
Number of generous donors contributing to TMC in 2013, which includes more than 900 individuals, 53 foundations, and 90 corporations.

Generous
The TMC Hospital Auxiliaries continued their dedication to TMC’s mission with generous funding for a variety of projects. The Hospital Hill Auxiliary’s contributions made possible the renovation of the family surgery waiting area. The Lakewood Auxiliary generously supported a state-of-the-art dental mobile to serve children in Independence, Missouri, schools.

1st
With a transformational gift of $2.3 million from the R.A. Bloch Cancer Foundation, The Richard and Annette Bloch Cancer Center at Truman Medical Center will be the first cancer care center to bear the Bloch family name in Kansas City, Missouri. The gift makes possible a state-of-the-art expansion of the oncology center at TMC Hospital Hill and demonstrates the family’s continued investment in research and cancer care on both sides of the state line.

Dedicated
The Health Care Foundation of Greater Kansas City dedicated $100,000 to TMC’s breastfeeding support network and Healthy Harvest Mobile Market.

$1,900,000
In April, the TMC Charitable Foundation met a landmark community challenge from the J.E. and L.E. Mabee Foundation by raising more than $7.4 million in its Better Health for a Better Life campaign. In turn, the Tulsa-based foundation contributed $1.9 million to the campaign project.

1,300+
TMCCF Signature Events collectively hosted more than 1,300 guests. While generating vital funds for TMC, these events engage volunteers and raise awareness of TMC’s positive impact in our community.
The TMC Charitable Foundation's mission is to transform the health and wellness of our community through philanthropy by raising funds and friends for the benefit of Truman Medical Centers.

TMC’s greatest advocates rallied when a landmark challenge grant of nearly $2 million was awarded from the J.E. and L.E. Mabee Foundation in April 2012. The Better Health for a Better Life campaign was launched and a kind and caring community was enlisted to help TMC achieve a $10.5 million fundraising goal in eighteen months.

Our Mission: Accomplished!

The generous gifts of these donors are now making possible much-needed hospital renovations, healthcare services, and life-saving equipment to ensure the best quality care to TMC patients.

Campaign projects include:

- the relocation and expansion of the oncology center at Hospital Hill which will be known as the Richard and Annette Bloch Cancer Center at TMC;
- the renovation of the Family Surgery Waiting Area at Hospital Hill;
- a Dental Mobile to serve school children in the Independence School District;
- state-of-the-art medical equipment upgrades and replacements;
- vital patient programs, staffing, and endowment for the Oncology Center.

The Richard and Annette Bloch Cancer Center at Truman Medical Center

A $2.3 million gift by the R.A. Bloch Cancer Foundation is bringing to life the first cancer care center to bear the Bloch name in Kansas City, Missouri, demonstrating the family’s continued investment in research and cancer care on both sides of the state line.

The Richard and Annette Bloch Cancer Center at Truman Medical Center will focus on state-of-the-art care, comfort, safety, and a healing environment for patients and their families. At nearly 17,000 sq. ft., the new center will be more than triple the size of the current unit at TMC.

The new center will feature a welcome area, ten dedicated exam rooms, a procedure room, and 16 chemotherapy infusion rooms with comfortable recliners and amenities.

For greater patient convenience, the center will include an on-site pharmacy and nurse navigator staff to help address patients’ ongoing medical and home-life needs, as well as a special “boutique” for wigs and prosthetics.
“My goal in life is to make a difference in people's lives. I'm so happy to be a part of the wonderful care given to cancer patients at Truman Medical Centers.”

- Annette Bloch

“This is a momentous event for TMC and for cancer care in the Kansas City Metro area. The R.A. Bloch Cancer Foundation gift is another spark in the collaboration that exists among 15 hospital and research organizations throughout the region and spurs advancement of all of the member organizations of the Midwest Cancer Alliance.”

- TMC President/CEO John W. Bluford

“None of this could have happened without the generous support of our donors and especially the R.A. Bloch Cancer Foundation, the Hall Family Foundation and the J. E. and L. E. Mabee Foundation.”

- Thomas Holcom, Cancer Center Capital Campaign Co-Chair

“The nearly $6 million cancer center expansion has been funded entirely by philanthropic support arranged through the TMC Charitable Foundation and the benefit to the organization, our community, and our patients is immeasurable.”

- Mark Thornhill, Cancer Center Capital Campaign Co-Chair
Fashion For A Cause 2013

A Benefit for Women's Oncology Care at TMC

Ready-to-wear and couture fashions from ten local retailers adorned the runway, with noted Kansas Citians and more than 40 teens in our community taking part in the fashion show.

Chairs David Embry and Amy Embry with Honorary Chairs Paul Black and Julie Cheslik.

WOMEN’S HEALTH AT TMC

Truman Medical Center is dedicated to providing the most advanced health care for women at every stage of life. Thankfully, our giving community is equally dedicated, with individuals, foundations, and corporate partners generously sharing resources that empower women as advocates for their own health as well as their families.
This year Fashion For A Cause surpassed the million dollar mark in total funds raised for TMC’s Women’s Health Services, with 2013 proceeds advancing the expansion and relocation of a new state-of-the-art oncology center at TMC Hospital Hill.
**Golf Baby Golf!**

*A Benefit for the Lakewood Family Birthplace*

More than $123,000 was raised at this year’s sold-out Golf Baby Golf! tournament to advance the neonatal nursery to Level II designation. This level of care is given to babies born at 32 weeks gestational age or greater and for full-term babies who need close monitoring for health issues related to prematurity, such as jaundice, trouble eating, or staying warm.

Charlie Shields (center) greets each team on the 18th hole.

Golf Baby Golf! tournament chairs Paul Broome and Greg Finke.

Golf Baby Golf sponsors David Seaver and Bob Glaser lead the cart caravan.

Team Deffenbaugh – a longtime supporter of Golf Baby Golf!

The skirt hole.

**LAKEWOOD FAMILY BIRTHPLACE**

Gentle lullabies fill the air at Truman Medical Center Lakewood these days – in fact, our patients, staff, and visitors have rejoiced in hearing more than 1,400 lullabies in FY13. That’s because the joyful music can be heard throughout the hospital whenever a baby is born.

With generous support from Golf Baby Golf! and other grants and contributions, the Lakewood Family Birthplace continues to provide extraordinary care to babies and the families who love them.
Benefit at the Bristol

A Benefit for TMC Behavioral Health Programs

For 17 years, Benefit at the Bristol has been celebrated as the best cocktail party in town – and a meaningful way to support TMC Behavioral Health programs. In October 2012, Chairs Ann and John Sundeen and Honorary Chairs Janet and Ron Reimer welcomed more than 300 friends of TMC to the Bristol Seafood Grill in Leawood. Kansas City Chiefs legend Will Shields and his wife, Senia, a longtime mental health advocate, were special guests.

With the November 2012 presidential election around the corner, the event was infused with a spirit of Americana, complete with Harry S Truman and Old Glory bunting. More than $140,000 was raised for the education, licensure, and professional development of TMC Behavioral Health staff to ensure the most advanced level of patient care.

Because our community has a heart for people with mental health needs, TMC Charitable Foundation connects individual donors, foundations, as well as corporate partners to TMC Behavioral Health, a leading provider of mental health and substance abuse treatment services.

This generous funding ensures comprehensive behavioral health care to more than 16,000 patients each year, including occupational health, medication management, substance abuse treatment, rehabilitation and employment services.

JENNIFER’S STORY: Financial education leads to brighter future

For years, Jennifer Nugent has lived with the challenges of mental illness. The bright, articulate, and humble woman shared a poignant account of her life’s journey, especially as it related to her economic security.

Jennifer, who is also an employee of TMC Behavioral Health, had no real sense of how to manage her finances or plan for a secure future. After enrolling in the Making Your Money Work for You! Class at TMC’s Corporate Academy, Jennifer’s methodical plan and inspiring determination paid off. In a few months, Jennifer put a budget in place, paid off debt, and began saving. For the first time, she feels confident, secure, and in control of her future.

“The support and knowledge I gained was priceless! I am so very grateful to share my story and to encourage others.”
The Touchstone Society honors lifetime giving by individuals, businesses, foundations and organizations to the Truman Medical Center Charitable Foundation. Every Society member has generously provided cumulative cash gifts of $25,000 or more.

MISSION-DRIVEN CARE
Truman Medical Centers leads the way in building a healthy, vibrant community. True to our mission, TMC provides care to all, regardless of one’s ability to pay. TMC provided more than $130 million of care (at-cost) in FY12 to patients without a means to pay for their care.

LEARNING THE BASICS
Generous investments by foundations, including the Dreiseszun Family Foundation and Prime Health Foundation, are ensuring more than 5,000 Independence school children will learn basic oral hygiene on visits to TMC’s dental mobile.

BREASTFEEDING AND BEYOND
Baptist-Trinity Lutheran Legacy Foundation supported TMC’s efforts in educating new moms on the benefits of breastfeeding. This resulted in greater numbers of patients who both initiated breastfeeding and continued after leaving the hospital.

GET YOUR REAR IN GEAR
TMC’s partnership with Get Your Rear In Gear promoted awareness, education, advocacy, screening and prevention of colorectal cancer, including distribution of testing kits and educational materials at several community events.
The Cornerstone Council honors individuals and organizations sharing charitable gifts of $1,000 – $4,999 with Truman Medical Center Charitable Foundation between July 1, 2012 and June 30, 2013. These hope-filled gifts advance TMC’s vital patient programs and services.
Members of the William Volker Heritage Society help to ensure Truman Medical Centers’ future growth by including the TMC Charitable Foundation in their estate plans. William Volker’s philanthropy enhanced hospitals, schools and the Kansas City community in the early 20th century. The TMC Charitable Foundation was established in 1979 through a gift from his estate.

SAVING LIVES THROUGH SAFETY
A generous gift from the Marion and Henry Bloch Family Foundation is enhancing patient safety and care through the purchase of state-of-the-art systems for intravenous medication, ultrasound, fluoroscopy and gastrointestinal procedures.

STEWARDSHIP OF CARE
Dr. Shauna Roberts’ discoveries on Guided Chronic Care were made possible in part by grants from the H & R Block Foundation. In providing resources for extensive actuarial studies, Dr. Roberts’ team is gleaning critical information related to payment reform and the care provided to chronically ill patients.

HEALTHY SMILES
Generous funding provided by Jacob L. and Ella C. Loose Foundation is making possible the purchase of vital dental equipment on TMC’s dental mobile, bringing much needed care and smiles to Independence, Mo., school children.

GIFTS OF VITAL IMPORTANCE
TMC Hospital Hill’s 1300+ cancer patients now have the benefit of two, new state-of-the-art cardiac and vital sign monitors, thanks to the generosity of The McGee Foundation.

PARTNERS IN TRANSFORMATIONAL CARE
Guided Chronic Care is an innovative means of strengthening patient health through a care team that supports them in positive behavioral changes. The Healthcare Foundation of Greater Kansas City is a generous supporter and advocate of TMC’s efforts to improve community health, especially those faced with significant physical, social, mental, emotional, and environmental challenges.
NAVIGATING TO A HOPE-FILLED FUTURE
Charitable gifts from the American Cancer Society, Susan G. Komen for the Cure Greater Kansas City, and other generous donors make possible the life-giving care provided by TMC Nurse Navigators to patients with cancer or other serious illnesses. The Nurse Navigators go above-and-beyond as they help patients navigate a complex health system. They arrange rides to chemotherapy treatments, provide support group information, help with wig fittings, or simply listen to anxious patients.

FRESH WAYS TO BETTER HEALTH
The Healthy Harvest Markets and Healthy Harvest Mobile Market are supported by Blue Cross Blue Shield of Kansas City and the Healthcare Foundation of Greater Kansas City. These funders help TMC bring fresh fruits and vegetables to lunch boxes and dinner tables of neighboring families, as well as hundreds of TMC staff that frequent the markets.

The Altruist Society recognizes those TMC-affiliated physicians who support Truman Medical Centers through their personal philanthropy. The Society includes current and former TMC physicians, as well as those who did their residency at TMC or were affiliated through the UMKC School of Medicine. Current TMC physicians are denoted with an asterisk (*). The Society was formed in 2011.

ALTRUIST SOCIETY
Physicians in TMC’s Altruist Society contributed charitable gifts of $73,915 in FY13 in support of Truman Medical Centers.

ISABELLA BRANDON SOCIETY
TMC nurses this year launched the Isabella Brandon Society as a means of recognizing charitable gifts to TMC. Nurses were encouraged to support fellow nurses in attainment of their BSN degrees through the Nursing Excellence in Education Fund. Six scholarships were provided through this generosity.

A PROUD DOLLAR GOES A LONG WAY AT TMC.

Who says a dollar doesn’t buy much these days?
A Proud dollar goes a long way at TMC.

One of this year’s Proud to be Truman employee-funded projects has a lofty title – Integrated Healing and Trauma Informed Environment of Care – but a simple purpose: creating environments that bring calm, comfort and recovery to our patients, while promoting safety and collaboration among staff.

The project included enhanced room number signage to help orient our patients; a sound system that plays low-volume, relaxing music; two multi-sensory furnished rooms to promote gentle stimulation of sight, touch, smell and emotion; and weighted blankets that bring comfort and therapeutic containment for patients experiencing trauma.

These are just a few ways our nurses, physicians and staff share their TMC Pride and dedication through charitable giving.

TRUPARTNERS HELP TMC LEAD THE WAY

TruPartners are the many businesses that generously support the mission of TMC through philanthropy, funding vital patient programs and equipment. TMC’s TruPartners of the Year in 2013 are MedTrak, Polsinelli, and FMH Benefit Services.

MedTrak CEO Larkin O’Keefe with TMC CEO John Bluford.
