Mission Statement

The Truman Medical Center Charitable Foundation builds community engagement and inspires donors to generously support the state-of-the-art, comprehensive and accessible healthcare provided by Truman Medical Centers.

Dear Friends,

I am pleased to share with you this Annual Report for Fiscal Year 2011. In these pages, you’ll read about the incredible impact Truman Medical Centers has on our community thanks to your generous support.

This past year was my first year serving as board chair, and I am so honored to work with such strong volunteer and staff leaders.

TMC President/CEO John Bluford is currently serving as Chair of the American Hospital Association, a prestigious position that has brought TMC national attention. Our Lakewood campus is fortunate to be led by new Chief Operating Officer Charlie Shields, who brings 17 years combined experience in healthcare — at Heartland Health in St. Joseph — and legislative leadership in the Missouri Senate. The Hospital Hill campus continues to be led by Cathy Disch’s steady hand.

The Charitable Foundation staff is led by Executive Director Jim Dawson, who will focus exclusively on the work of the Foundation after having served a dual role with the hospital. With a dedicated staff and an increasingly talented board of directors, the Foundation is destined to succeed in upcoming fundraising efforts.

The strong leadership within TMC and the Foundation is just one reason for optimism. Another is TMC’s collaboration with other organizations during the past year.

As the community health partner of the Kansas City Chiefs, TMC has expanded its community health and wellness initiatives. TMC’s role as part of the Midwest Cancer Alliance Partners Advisory Board and its quest for National Cancer Institute designation has led us to launch a $5 million campaign for the relocation and expansion of TMC’s Oncology center, with the endorsement of the University of Kansas Cancer Center. And evidence of TMC’s ongoing partnership with Children’s Mercy can be seen in the bridge being built across Holmes to connect the two hospitals.

With strong leadership and collaboration, we are poised for great success in the coming year. I look forward to serving again this year as the board chair and promise to do my best to ensure your gifts continue to make an impact on TMC’s important mission.

On behalf of the TMC Charitable Foundation, its board of directors and all of the patients served by Truman Medical Centers, I thank you for your generous support.

Sincerely,

Joy Wheeler

Chair, Board of Directors
Year in Review

CHARITABLE CONTRIBUTIONS & OTHER REVENUE

EXPENSES
$6.8 Million

- Grants to TMC
- Administrative
- Real Estate
Between July 1, 2010 and June 30, 2011, the TMC Charitable Foundation (TMC CF) received more than $7.3 million in charitable contributions and grant payments.

TMC CF distributed more than $5.5 million in grants to TMC to support its mission.

Over the past fiscal year, 1,377 individuals, foundations and corporations made charitable gifts to TMC. This reflects a 20% increase over the number of donors in FY10.

The United Way of Greater Kansas City awarded TMC $171,000 for uncompensated care in outpatient clinics. This is a three-year grant award, so the same level of funding is expected to be received in 2012 and 2013.

The Hall Family Foundation awarded $742,538 to help TMC provide high quality care to the thousands of underinsured individuals we serve. The gift will provide access to primary care, women’s health and medications to TMC’s most vulnerable patients.

The Health Care Foundation of Greater Kansas City awarded a second year of funding for TMC’s innovative Guided Chronic Care™ program in the amount of $249,985.

TMC CF received two major gifts — $100,000 from the Avon Foundation and $52,676 from Susan G. Komen for the Cure of Greater Kansas City — to support TMC’s patient navigator program.

Grandma’s Alzheimer Fund, established by Kathleen and Joe Woods in memory of Kathleen’s mother, gave TMC CF a $120,000 grant to establish the Grandma’s Alzheimer Endowment Fund.

The Ralph L. Smith Foundation made a generous gift to help build a new wellness center at Hospital Hill. The center will provide TMC employees with additional fitness opportunities.

Proud to be Truman, TMC’s Employee Giving campaign, raised more than $65,000 to fund employee initiated wellness projects across the hospital. The number of employees making pledges to the 2011 campaign rose 38% from the previous year.

Through its partnership with the Kansas City Chiefs, TMC received $115,000 as the beneficiary of the 101 Awards Banquet.

TMC CF Signature Events collectively raised more than $350,000 and reached an audience of more than 1,000 — many of whom were new to TMC and its mission.
Women’s Health

TMC helps and encourages all women to actively promote good health within their families. Our comprehensive women’s health programs combine education, clinical care and research to meet the needs of Kansas City women of all ages and stages of life.

Thirty percent of all births in Jackson County occur at TMC hospitals. Philanthropic support of Women’s Health Programs ensures excellent care during prenatal and labor/delivery care, as well as the life-saving care sometimes needed in the Neonatal Intensive Care Unit. When it comes to the care of babies and their mothers, TMC delivers!

Since its beginning, Fashion For A Cause has raised more than $800,000 to support the vital care given to mothers and their babies served by Truman Medical Centers. The 2011 event, Friday Night Lights, was held at the New Arrowhead Stadium. Led by Honorary Chairs Rachael and Nelson Sabates and Event Co-Chairs Abby Albers, Chadwick Brooks and Kristen Lewis, the event featured a patrons’ reception, runway show and after party. Guests were treated to the styles and fashions of some of Kansas City’s most noted boutiques and designers including: Alaskan Fur, CHURCHILL, feng, Girl Boutique, Joselyn Himes, Hudson & Jane, Standard Style, and Swimwear Solution.

Fashion For A Cause 2011 event leadership (left-right) Kristen Lewis, Chadwick Brooks, Rachael and Nelson Sabates, and Abby Albers.

Kansas City Chiefs Ambassador Tony Reed joins other runway models in the grand finale of Fashion For A Cause 2011.

Dave Kendrick, executive director of the Greater Kansas City Building and Construction Trades Council and Jim Dawson, executive director of the TMC Charitable Foundation.
Thanks to generous philanthropic support and an opportunity to secure funding through a bond issue, the new Lakewood Family Birthplace is on track to open in the fall of 2011. The 19-bed expansion will include an upgraded triage area, improved infant security, a large nursery and increased delivery capacity.

A key component of the fundraising campaign for the Lakewood Family Birthplace is the Golf Baby Golf Tournament. Since its inception, Golf Baby Golf has raised more than $429,000 for TMC Lakewood. Thirty-six golf teams and more than seventy volunteers, led by event co-chairs Patt Lawlor and Jim Murray, helped to raise over $120,000 at the 2011 event. The highlight of the tournament was when 1,500 individually numbered golf balls were dropped from a helicopter onto the driving range. The ticket-holders of the three balls closest to the hole won fabulous prizes!
MC has a long track record of support from those who want to help members of our community. TMC Behavioral Health provides mental health and substance abuse services to the people of Kansas City and Eastern Jackson County. TMC has a proven record of supporting Behavioral Health programs, largely through the annual Benefit at the Bristol.

The 15th Annual Benefit at the Bristol presented by Waddell & Reed Financial, Inc. was a grand slam! More than 400 guests welcomed members of the Royals 1985 World Series Championship team as celebrity guests. Thanks to the generosity of so many throughout Kansas City, this year’s Benefit at the Bristol netted more than $138,000. It was a record-breaking year in attendance and in sponsorships.
Patient demand continues to grow for TMC’s quality cancer care. But our existing Oncology Center is outdated and no longer meets the needs of TMC patients. A new and enlarged Oncology Center will be housed on the fifth floor of Hospital Hill Center, across from the main hospital. This past year, the Charitable Foundation launched an Oncology Center fundraising campaign that will continue during the next 24 to 30 months. The expansion is projected to cost $5 million. To date more than $600,000 has been raised or pledged.

Because of you

- Lakewood Long Term Care residents are able to maintain a high quality of life by staying connected with the community through participation in offsite activities.

- Alzheimer patients have access to physical exercise equipment, art therapy and other recreation opportunities.

- Cancer patients at TMC – two-thirds of whom are uninsured or rely on Medicaid – receive practical and emotional support such as bus passes, cell phones and connection to resources in addition to their physical treatment.
Art has long been known to aid in the healing process. The Healing Arts at TMC creates a soothing and healing environment for patients, employees and visitors through various programs. These include the First Friday Concert Series, the Healing Arts Gallery, and high-quality art on display throughout each hospital. The Center for the Healing Arts addresses the emotional needs of patients and families, as well as TMC’s caregivers. Our goal is to improve patient services and to attract, develop and retain high quality employees at TMC.
The Kansas City Chiefs want to tackle more than just pesky running backs. They want to take on a bigger challenge — our community’s health. And they have teamed up with TMC to go to battle.

The partnership is already reaping benefits. At community festivals and health fairs, representatives of the Chiefs and TMC have been on hand to distribute information on healthy eating habits, teach simple exercise routines and promote overall wellness.

In addition to the Chiefs partnership, TMC continues to lead the way to a healthier community through innovative programs such as Guided Chronic Care™, Passport to Wellness and the Healthy Harvest Produce Market.

TMC believes that employee wellness is critical to community wellness. Our employees are encouraged to lead by example; modeling fitness, wellness and disease prevention to the communities we serve.

A generous gift from Blue Cross Blue Shield of Kansas City enabled TMC to expand the hours of our weekly Healthy Harvest Produce Market.

Because of you

- TMC holds monthly classes, coordinates a breast awareness fair and conducts breast health and awareness classes in local high schools.

- Patients, staff and members of the local community have access to fresh fruits and vegetables through the Healthy Harvest Produce Market.

- Patients can access free or discounted medications so that they no longer have to choose between their medication and other basic needs.
At TMC, we believe that everyone deserves quality healthcare – whether they have insurance or not. As the largest provider of uncompensated care in Kansas City, TMC cares for a large population of patients who have little or no means to pay for their care. To help provide essential services to the most vulnerable members of our community, we created the TruFACES (Fundamental, Accessible, Compassionate Everyday Services) Direct Patient Care Fund.

Last year, gifts to the TruFACES Direct Patient Care Fund ranged from $2 to $15,000 and came from 281 different donors. Nineteen percent of individuals giving to TruFACES were new donors, and more than half of those new gifts were from grateful patients.

Gifts to the TruFACES fund make possible clinical and medical services to our underserved patients. These gifts make a difference to our patients by providing in-patient meals and medications, preventive care, interpretive services, blood tests and more.

At a September 2010 TMC Board Meeting, the Charitable Foundation presented TMC with a check for $127,757.90 as part of the TruFACES campaign. (left to right) Doug Curran, Paul Black and John Bluford.

Because of you

- Cancer patients have access to nutritional supplements to alleviate the side effects of chemotherapy.
- Outstanding artwork throughout the hospital helps patients heal.
- A routine ultrasound saved Kim’s daughter’s life by identifying complications in Kim’s pregnancy.
- Debbie survived breast cancer, despite being turned away from other hospitals due to lack of insurance.
Memders of the William Volker Heritage Society have helped to ensure Truman Medical Centers’ future growth by including the TMC Charitable Foundation in their wills and in other estate plans. William Volker’s pioneering philanthropy enhanced hospitals, schools and people’s lives in early 20th-century Kansas City. A gift from his estate created the TMC Charitable Foundation in 1979. Volker Society members’ names are displayed on the Donor Wall of Appreciation at TMC Hospital Hill.

Heritage … A gift of lasting value … Preservation, continuity and a continued legacy for the future.
The Touchstone Society

Touchstone ... A basis for comparison. That reference point against which other things are evaluated and measured.

The Touchstone Society honors lifetime giving by individuals, businesses, foundations and organizations to the Truman Medical Center Charitable Foundation. Every Society member has provided cumulative cash gifts of $25,000 or more. Each of them personifies the TMC commitment to provide quality healthcare to the Kansas City community. Names of Touchstone members are listed on the Donor Wall of Appreciation at TMC Hospital Hill.

Members of the TMC Steppingstone Council are those donors who made gifts of $5,000 or more to Truman Medical Center Charitable Foundation between July 1, 2010 and June 30, 2011. Through their generous giving each year, Steppingstone Council members help TMC provide the highest levels of health care — in Kansas City and in the nation. Their names are displayed on the Donor Wall of Appreciation at TMC Hospital Hill.
Cornerstone … A fundamental element that intersects and connects to provide essential, indispensable and basic support to the structure.

Our Cornerstone Council honors individuals and organizations who made charitable gifts of $1,000 – $4,999 to Truman Medical Center Charitable Foundation between July 1, 2010 and June 30, 2011. Their annual support advances TMC’s vital programs and services. Current members of the Cornerstone Council are listed on the Donor Wall of Appreciation at TMC Hospital Hill.

The Board members and volunteers listed on this page provide countless hours of leadership and guidance to Truman Medical Centers. These individuals are generous with their time and assistance to TMC and work together to further our mission of providing accessible, state-of-the-art healthcare to all members of our community.
